

The editorial staff of INTERNET TELEPHONY® Magazine is pleased to announce the winners of the 2004 INTERNET TELEPHONY Conference & EXPO Best of Show awards for outstanding products and services demonstrated at the just-concluded event that was held in Los Angeles, CA, October 4–7, 2004.

The awards emphasize innovative technology and creative product feature sets. Forward-looking products that will serve as a base upon which to build future developments in our industry were also awarded. Each winner submitted a thorough application and displayed and demonstrated their product on the INTERNET TELEPHONY Conference & EXPO exhibit floor.

We congratulate the winners and look forward to seeing you all at our next event in Miami, February 22–25, 2005.
